TRAINING BULLETIN

NicheRMS Implementation

The San Diego Sheriff's Office is in the process of transitioning from NetRMS to NicheRMS. The roll out consists of two phases.

- **Phase One:** Detention's Services Bureau (DSB) goes live on July 17th, 2024.
- **Phase Two:** Law Enforcement Services Bureau (LESB) and Court Services Bureau (CSB) are projected to go live in August or September of this year.

DSB personnel will be working exclusively in NicheRMS starting on July 17th. However, LESB and CSB personnel, will continue to use NetRMS until their go live date.

Deputies working overtime in detention facilities may need to enter a case or add other types of reports to a detentions related case in NicheRMS. The below link will take you to the Department's SharePoint.

The SharePoint page contains easy to follow instructions for writing reports and/or adding reports to another case.

Note: Genetec will be replacing the current NetRMS URL link. Instructions on how to access Genetec and upload evidence will also be available on the SharePoint page.
