Escape Procedures Refresher

Certification #71-51407

(Cert Date 04-17-2018)

Duration – 2 Hours

Course Summary:

This course will focus on the policies, procedures and response to an inmate escape.

Course Objectives:

At the conclusion of this course, trainees will be able to:

- Identify applicable policy and procedure sections related to an inmate escape.
- Demonstrate proper escape response procedures during a simulated inmate escape.

Training Tips:

Policy sections to be covered:

- [I.5 Emergency Inmate Escape Procedures](#)
- Facility Green Sheets
- Facility Emergency Operations Manual

Instruction should be given on specific escape response procedures such as notification, staff responsibilities, searches, emergency counts, emergency checklists and documentation. The training drill should incorporate the various elements of an appropriate escape incident response. The entire team should participate when and where practical. The team sergeant must ensure that all participants have signed the STC training roster. If you need any assistance or have any questions, please contact
