INTENSIFIED FORMAT TRAINING INSTRUCTIONS

Person-Down Emergency Response

Certification #71-51968

(Cert Date 04-30-2020)

Duration – 2 Hours

Course Summary:

This training exercise will assist nursing staff and deputies in the proper procedures and techniques to safely respond to an emergency situation and prepare the inmate/patient for transport.

Course Objectives:

At the conclusion of this course, trainees will be able to:

- Demonstrate department approved procedures and techniques to expeditiously and safely render aid and prepare the inmate/patient for transport.

Training Tips:

Reference policy and procedure sections:

- [I.45 Inmate Hospitalization and Guards](#)
- [I.57 Transportation of Inmates](#)
- [M.5 Medical Emergencies](#)
- [M.6 Life Threatening Emergencies – Code Blue](#)

Instruction should be given on the related policy and procedure sections, staff safety and security issues, proper use of backboards and gurneys, rendering first aid, CPR and the AED unit, transportation procedures and critical incident management methods. Coordinating this training with MSD staff is highly recommended. The entire team should participate in this training. The team sergeant must ensure that all participants have signed the STC training roster. If you need any assistance or have any questions, please contact [REDACTED]

*** The format for providing the training outlined in these instructions will be dependent on the COVID-19 evolving public health crisis and will be based on local, state, and national guidance at the time of the training.**

Review Date: 05-21-2020

DTU will communicate directly with facility training staff for the most up to date information and guidelines for conducting training.
