III. Activities and Equipment

All designated exercise equipment is available to I/P's during their allotted recreational time unless noted.

IV. Flex Time (House 3 and 4)

Flex time on the recreation yard schedule can be used to accommodate any number of situations that would allow the incarcerated persons time outside of the schedule. Examples would be incentive time, dorm closures, 'make-up' time, etc. The watch commander will ensure the flex time is used as much as possible.
