

SDSD Detention Services Bureau—George Bailey Detention Facility Green Sheet

DATE:	JUNE 25, 2021
NUMBER:	I.52.G
SUBJECT:	INMATE STRIP AND PAT DOWN SEARCHES

PROCEDURE

All in-custody inmates may be subject to a Strip Search and/or Body Scan. All inmate searches shall be conducted for the purpose of providing a safe and secure environment for inmates and staff, in compliance with legal standards. The George Bailey Detention Facility will utilize the below search options to provide a safe and secure environment for inmates and staff.

I. BODY SCAN – Virtual Search

- A. Only staff that has successfully completed training on the SOTER RS Body Scanner shall operate the device.
- B. All persons conducting or otherwise present in the monitor viewing area shall be of the same sex as the person being scanned.
- C. Any inmate being scanned, will be identified in the SOTER RS system with their current booking number.
- D. [REDACTED]
- E. Inmates returning from contact social or professional visits.
- F. All Inmate Workers will be required to go through the body scanner.

II. STRIP SEARCHES

- A. The Inmate Worker Deputy will strip search all inmate workers before leaving the East Mesa Reentry Facility and before returning.
- B. For other inmate worker assignments, the deputy in charge of that assignment may search inmates for any contraband.
- C. All searches of transgender and intersex inmates will be conducted by two staff members of the gender requested by the transgender inmate.
