

SDSD Detention Services Bureau—George Bailey Detention Facility Green Sheet

DATE:	November 03, 2015
NUMBER:	L.13.G
SUBJECT:	PEST AND VERMIN CONTROL

PROCEDURE

The GBDF Operations Deputy will serve as the Integrated Pest Management Coordinator (IMPC). The County Integrated Pest Management technician will inspect the buildings and grounds of GBDF and Facility 8 for any pest and/or vermin infestation monthly. The technician will submit a written report to the Operations Deputy detailing any infestations discovered during the monthly inspection. Between inspections the IMPC will investigate any infestation reported by staff as soon as practical.

The Operations Deputy will be responsible to contact the Department of Agriculture and Pest Management office and the County Integrated Pest Management office if necessary.
