PROCEDURE

On Tuesday of each week the San Diego Central Jail (SDCJ) Stock Clerk delivers hygiene packs to the housing floors. If additional supply is needed, a request shall be made to the Stock Clerk via a SDCJ supply requisition form. The hygiene packs are stored under the tower on the housing floor in the storage area. The floor deputy upon any reasonable request from an incarcerated person will supply these items.

SDCJ Laundry staff will supply each housing floor with a supply of bedrolls. Additional bedrolls will be delivered when laundry staff is working. Bedrolls can also be obtained directly from the laundry supply room located on the basement level of SDCJ.
