

DATE:	APRIL 27, 2022
NUMBER:	L.13.S
SUBJECT:	PEST AND VERMIN CONTROL

PROCEDURE

The administrative/operations deputy will conduct monthly inspections to locate and identify areas of infestation. Any identified conditions including the presence of insects, rodents, or other vermin shall be eradicated by the County of San Diego Department of Agriculture, Weights and Measures, Pest Detection Program. All requests for pest control outside of the monthly inspections will be submitted to the training coordinator/operations deputy. The training coordinator/operations deputy will make notifications and coordinate the service.
