

DATE:	February 1, 2021
NUMBER:	P.11.V
SUBJECT:	HEARING IMPAIRED INMATES

PROCEDURE

TELECOMMUNICATION DEVICE FOR THE DEAF (T.D.D.)

- I. The T.D.D devices are stored in the Male Intake Deputy Station and Control. The T.D.D devices can be moved to any location needed to be utilized by inmates with hearing impairment. Once the phone call has been completed, the T.D.D device will be returned back to Control or the Male Intake Deputy Station.

- II. Inmates who are provided the use of the T.D.D device will have an entry made in their JIMS history.
