

<b>DATE:</b>	MAY 18, 2022
<b>NUMBER:</b>	T.12
<b>SUBJECT:</b>	VIDEO PROGRAMMING
<b>RELATED SECTIONS:</b>	

**PURPOSE**

To ensure that the Sheriff's staff manages all incarcerated persons' activities including television and video programming. To maximize the broadcasting television and video programming. To maximize the broadcasting capabilities of the existing resources and minimize the potential conflicts emanating from relinquishing control to incarcerated persons.

**POLICY**

Each Facility Commander or their designee will develop a plan to exercise the best control and utilization of the facility's existing television and video equipment through Green Sheets.

**PROCEDURE**

The utilization plan should reflect a combination of informational, educational and recreational videos representative to the needs of the incarcerated population. Likewise, television programs and movies shall be appropriate excluding anything extremely graphic in sex or violence.
