Phase II Workbook – Day 2 Answer Key

Define PC 17(B)(4)

A charge is being dropped from a felony to a misdemeanor

Bail Per 1275.1 is?

a)   An increase in the bail amount

b)   You must go home immediately to change your pants

c)   The bail amount should be double checked prior to defendant posting bond

d)   Requires the person to prove money and security used to post bail was not feloniously obtained

You are assigned to court update and see an inmate already has a 1275.1 hold and the bail flag has been set to "P". The court paper you have does not state anything about the 1275.1 hold. What should you do?

a)   Leave the bail flag at "P" in JIMS and update the paper accordingly

b)   Call your trainer to and explain you don't know what to do

c)   Change the "P" to "Y" and enter whatever bail amount is shown on the court paper

d)   Take the paper back to the court clerk and tell them to fix it

True or False

When a court paper specifies a 1275.1 hold you should not only change the bail flag to "P" but also write in the notes "Bail per 1275.1"

True

A Court paper states the bail amount is $100,000, however the document also states "Previously posted bail of $50,000 remains in effect". In this case how much would it cost the defendant to bail out?

a) $100,000

b) $150,000

c) $50,000

d)   This guy is not bailing out
