

COMMUNITY ENGAGEMENT

SHERIFF'S DEPARTMENT

DIVERSITY- We embrace the strength in the diversity of our employees and our communities.

Through Community Outreach, we make available a multitude of programs and initiatives to the community that will provide resources for residents of San Diego County.

Our mission is to be a conduit to pass information between the Department and the public. We also endeavor to develop and maintain relationships through open and candid dialogue with a variety of community-based organizations and members.

Community Inclusion Director Role Established in 2019
