RIPA (Racial Profiling and Identification) Training Update Bulletin

Start of Beat Collection on October 1, 2018

Starting on October 1, 2018, we will require the collection of BEAT information in the RIPA App. There will be a slight change in the way the City is selected as well. Please follow these steps to make the new functionality available on your device.

About this App:

The Racial and Identity Profiling Act of 2015 (AB 953) requires state and local law enforcement agencies, to collect data regarding stops of individuals, including perceived demographic information on the person stopped, and to report this data to the California Attorney General's (AG) Office.

The AG's Office has adopted [these regulations](#) on November 7, 2017. For more information please see the [AG's Website](#).

You will be asked to confirm your beat selection when you click "Next" to move to step 2.

The City selection field will now by default be limited to cities that are within San Diego County. If you need to select a city outside of the county, check the "Out of County?" checkbox, which will then allow you to select any city in California outside of San Diego County. The "OUT OF COUNTY 999" beat will be selected by default.

Out of County City:
