Reporting Officer **SH3423 - BLOCH, KAREN**	Division / Organization **Homicide Detail**	Reviewed By **SH2333 - NORTON, TODD**
Report Date **8/7/2017 3:11:46 PM**	Detective Assigned **SH3423 - BLOCH, KAREN**	Reviewed Date **08/07/2017 15:57:13**

Crime: 664-187 PC (Attempt Murder on Peace Officer) **Case Number:** 17140490
Victim: Sean Ochoa and Don Wood **City:** San Diego
Location: ▮▮▮▮ 2nd St
Date Occurred: Friday, August 4, 2017 **Page** 1 of 1

ORIGIN:

On 8-4-2017 at about 0815 hours Sgt Meleen #4961 and I (Deputy Backouris #9484) responded to a notification of an Officer Involved Shooting in the city of San Diego. Sgt Meleen and I responded to the scene to assist. CAD E4334106. CN 17140490. SDPD CN 17-08005596

OBSERVATIONS AND ACTIONS:

The Weapons Training Unit responds to Officer Involved Shootings to assist the Homicide Detail as needed, as well as to facilitate issuance of new firearms, as needed.

I was dispatched t (b)(5)(A) 2nd street, the designated command post for the Officer Involved Shooting (OIS). Upon arriving I learned San Diego Police (SDPD) Homicide was primary for the investigation. After the conclusion of the homicide briefing, Sgt. Meleen and I drove to 220 W Broadway where the two victims were currently located.

Shortly after arriving at 220 W Broadway SDPD informed us the victims were going to be transported to 1401 Broadway, SDPD's Headquarters. Sgt Meleen and I changed our location to there.

Once at SDPD's headquarters, we met with SDPD Homicide. We were directed to the victims who were in a nearby room. I completed SD Sheriff's Weapons training unit receipt #'s 0100740 and 010742, documenting that the victim's currently issued pistols were being placed into evidence at SDPD.

I completed SD Sheriff's Weapons training unit receipt #'s 010741 and 010743, documenting that new pistols had been issued to the victims. They were also issued three pistol magazines and 46 rounds of department provided/approved duty ammunition.

I gave each victim a business card and explained the process for qualifying when they are released back to full duty.

REPORT NARRATIVE

Origin:

On 08/04/2017 at around 0748 hours, I responded to a request for cover and then a "Shots Fired" call which occurred at (b)(5)(A) (b)(5)(A) 2nd avenue in San Diego. I arrived at around 0751 hours.

Investigation:

Upon arrival to location, I was met by Deputy Perata #3516 and we entered the premise to aid in securing the scene. Once it was determined deputies on scene did not need further assistance inside the unit, I took a position in front of the complex to direct parmedics and San Diego Police officers who were arriving to the location. San Diego Police arrived and took control of the perimeter and personnel direction. I then worked wirth Deputy Perata to facilitate other personnel to replace Deputies Ochoa #1193 and Wood #7730 from the scene.

I stayed with Deputy Wood and transported him back to the station until peer support and command staff arrived. I then followed Deputy Wood to San Diego Police Headquarters where he met with investigators. As the investigation was progressing it was determined that I was not needed for anything further.

During my time on scene I did not touch or interact with the subject. I did not take any statements from either deputy involved.

REPORT NARRATIVE

ORIGIN:
On 08/04/2017 at approximately 0748 hours, I was working in full Sheriff's Uniform and in a marked patrol unit equipped with overhead red lights and sirens. I responded to a request for cover and then a "Shots Fired" call which occurred at (b)(5)(A) 2nd avenue in San Diego. I arrived at approximately 0811 hours.

DEPUTY'S OBSERVATIONS AND ACTIONS:
Upon my arrival I met with Deputy Perata #3516 in front of the residence. I learned Deputy Ochoa #1193 was involved in the incident that occurred at this location. I was informed they did not need any more assistance inside the residence.

Deputy Ochoa was standing on the sidewalk in front of the residence. I stayed with Deputy Ochoa and transported him back to the station and stayed with him until peer support and command staff arrived. I was relieved by peer support personnel.

While at the station I obtained a copy of the eviction for (b)(5)(A) 2nd Avenue from Civil employee (b)(5)(B). I transported a copy of the eviction back to the scene giving it to Sergeant Golembiewski #5651 for San Diego Police Homicide units.

During this incident I did not take any statements from any Deputies or witnesses.

This concluded my involvement.

Reporting Officer **SH4095 - STACY, MICHAEL**	Division / Organization **CS_EC_FLD / SDCFS - San Diego Court - Field Services**	Reviewed By **SH5651 - GOLEMBIEWSKI, JAMES**

Crime: Officer Involved Shooting   **Case Number:** 17140490

Victim: Deputy Ochoa and Deputy Wood   **City:** San Diego

Location: [redacted] Second Avenue

Date: August 4, 2017 (Friday)   **Page 1 of 2**

Origin:

On Friday, August 4, 2017, at 0825 hours, I received a telephone call from Homicide Detective Sergeant T. Norton #2333. He requested I respond to an Officer Involved Shooting at [redacted] Second Avenue in the city of San Diego. Sergeant Norton stated Deputies were involved in the shooting in San Diego Police Department (SDPD) jurisdiction. I was assigned to act as a liaison between SDPD and the Sheriff's Department for purposes of the investigation.

Investigation:

On Friday, August 4, 2017, at 0912 hours, I arrived at the scene. I spoke with Lieutenant M. Rand of the Court Services Division. He stated two Deputies with the Court Service Field Division were involved in a shooting while serving an eviction. He provided me with Eviction #37-2017-000-18604. The target of the eviction was James Lacy [redacted] [redacted] According to Sheriff's dispatch, Deputies arrived (10-97) at the location at 0739 hours, stated they were contacting the suspect (11-51) at 0747 hours and broadcast shots fired at 0748 hours.

On Friday, August 4, 2017, at 0925 hours, I attended a briefing provided by SDPD Sergeant Minter #6052. For details of the briefing, refer to SDPD Homicide reports. During the briefing, I learned Deputy S. Ochoa #1193 and Deputy D. Wood #7730 were involved in the shooting at [redacted] Second Avenue. The suspect, James Lacy, produced a firearm as Deputies entered the residence and was shot by Deputies. He was pronounced deceased at the hospital at 0937 hours. Sergeant D. Malinowski was assigned at the lead for the shooting investigation. The briefing concluded at 0948 hours.

On Friday, August 4, 2017, at 1035 hours, I received a packet of paperwork from the eviction at the location from Sergeant J. Golembiewski. He had received the paperwork moments before from Court Field Services Deputy M. Stacy. At 1037 hours, I provided the paperwork to Sergeant Malinowski.

On Friday, August 4, 2017, at 1339 hours, I participated in a walkthrough of the scene with Deputy Ochoa. I stood on the landing outside the front door of the location during the walkthrough. The walkthrough concluded at 1344 hours.

On Friday, August 4, 2017, at 1347 hours, I participated in a walkthrough of the scene with Deputy Wood. I stood on the landing outside of the front door of the location during the walkthrough. The walkthrough concluded at 1349 hours.

Reporting Officer: Detective K. Bloch ID# 3423   CID - HOMICIDE

Approved By: Sgt. T. Norton   ID# 2333   8/7/2017

Crime: Officer Involved Shooting **Case Number:** 17140490

Victim: Deputy Ochoa and Deputy Wood **City:** San Diego

Location: (b)(5)(A) Second Avenue

Date: August 4, 2017 (Friday) **Page 2 of 2**

On Friday, August 4, 2017, at 1355 hours, I drove to the courthouse located at 220 W. Broadway in the city of San Diego. Sergeant Golembiewski drove Deputy Ochoa and Wood's patrol vehicle from the scene to the courthouse. I drove Sergeant Golembiewski back to the scene and arrived at 1412 hours.

On Friday, August 4, 2017, at 1520 hours, I was outside the residence as SDPD Detective Sanchez conducted knock and notice and executed the Search Warrant. At 1545 hours, I entered the residence to observe the scene. I did not participate in a search of the location or disturb any items of evidence. I left the residence at 1550 hours. I left the scene at 155 hours.

On Friday, August 4, 2017, at 1647 hours, I received a telephone call from Detective Sanchez. He requested I contact Deputy Ochoa and Deputy Wood and have them search their uniforms and vests for any cartridge casings. At 1650 hours, I called Sergeant Golembiewski and asked him to request the Deputies check their uniforms. At 1810 hours, I received a call from Sergeant Golembiewski. Deputy Ochoa and Deputy Wood had checked their uniforms with negative results. I called Detective Sanchez and relayed the information.

This concluded my involvement in the investigation. Any additional follow up will be documented on a separate report.

REPORT NARRATIVE

ORIGIN:
On 08/04/17, at approximately 0748 hours, I was monitoring Court Services Dispatch when I overheard a radio transmission from a court services field unit (15A5), advising "shots fired" (b)(5)(A) 2nd Avenue in the city of San Diego. (SDSD CAD-E4334106)

DEPUTIES OBSERVATIONS AND ACTIONS:
While monitoring the radio, I overheard Deputy Don Wood (7730), whom I recognized by voice, ask for a cover unit. Utilizing Sheriff's CAD, I looked up the radio call he was on and discovered he was doing an eviction at (b)(5)(A) 2nd Avenue in the city of San Diego. As I was reviewing the call on the computer, I heard Deputy Wood advise, "Shots fired." I left my office and drove to the command post which had been established by the San Diego Police Department in front of the address. Upon arrival, I observed Deputy Wood who was with Deputy Bryan (4866). I also observed Deputy Ochoa (1193) who was with Deputy Stacy (4095). While speaking with Deputy Stacy, I learned that both Deputy Wood and Deputy Ochoa had fired their duty weapons and had already provided a safety statement to an on-scene SDPD Sergeant, Sergeant Minter. Deputy Wood and Deputy Ochoa were kept separate from each other and then driven, individually, to the Court Services Field office located at 220 West Broadway in San Diego. I then met with SDPD Lieutenant Holden.

Lieutenant Holden advised me that since the incident occurred in their jurisdiction, SDPD would handle the investigation. He also advised that he had already notified their homicide team. At that point, I made notifications to Court Services Command, peer support, and the Division of Inspectional Services (DIS). I remained on scene and attended the SDPD homicide briefing at about 0930 hours. After the briefing, Lieutenant Holden advised me that I was no longer needed at the scene. I then left the scene, leaving Sergeant J. Golembiewski (5651) as the Sheriff's Department Liaison.

This ended my investigation of this incident.

SUMMARY

The decedent was a 47-year-old Black male who resided alone in an apartment in San Diego. On the morning hours of 08/04/2017, deputies arrived to his residence to serve him an eviction notice. The decedent did not answer the door, and stated that he was going to shoot the deputies if they did not leave the residence. Deputies forced entry into the home, and saw the decedent pick up what appeared to be a firearm. Deputies fired their weapons at the decedent. Paramedics and police were summoned to the scene, and the decedent was transported to Scripps Mercy Hospital. He arrived to the emergency department pulseless with cardiopulmonary resuscitation in progress by paramedics. He was taken to the operating room for bilateral thoracotomies. During the procedure, he went into cardiac arrest. Despite life saving measures, he was unable to be revived and his death was pronounced.

Medical Examiner's jurisdiction invoked according to the California Government Code 27491: Death due to known or suspected homicide.

INVESTIGATIVE NARRATIVE

Decedent: LACY, James

Antemortem Events:

On 08/04/2017, the following preliminary information was learned during a personal interview conducted at the scene with Officer Dungan ID 6137, San Diego Police Department. On the morning hours of 08/04/2017, San Diego Sheriff Department Court Service Deputies arrived to the decedent, James Lacy's, house to serve him an eviction notice. Deputies knocked on the door and the decedent stated to them "go away or I'll shoot you." The deputies informed him that they were unable to leave. The decedent refused to open the door and deputies forced entry into the home. Upon entering, the decedent brandished what reportedly appeared to be a firearm and deputies fired their weapons toward him. Paramedics were summoned to the scene, and the San Diego Police Department (SDPD) was called for backup. SDPD arrived to the scene at 0756 hours. The decedent was transported to Scripps Mercy Hospital, where he was taken into the operating room for surgery.

On 08/04/2017, the following preliminary information was learned during a telephone interview conducted with Detective Yancovich, San Diego Police Department. The San Diego Sheriff Department Court Service Deputies that responded to the decedent's residence on 08/04/2017 at 0743 hours were deputies S. Ochoa ID 1193 and D. Wood ID 7730. The deputies forced entry into the home by pulling open the decedent's security screen door. Upon entering, the decedent brandished a Daisy BB gun, and at 0748 hours, deputies each fired a 40 caliber Glock 22 toward him. SDPD arrived to the scene at 0756 hours.

On 08/04/2017, the following preliminary information was learned during a telephone interview conducted with Detective Sanchez, SDPD. At 0753 hours, SDPD received a call from the San Diego Sheriff's Department requesting assistance and stating that shots had been fired at (b)(5)(B) 2nd Avenue in San Diego. SDPD and paramedics were dispatched to the location. At 0756 hours, Officers Larson ID 7347, Castillo ID 7156, Ponce ID 6859, Ohlwiler ID 6657, and Nills ID 7643 were first to arrive on scene. San Diego Paramedic 26 and San Diego Fire Engine 3 arrived on scene, and transported the decedent to Scripps Mercy Hospital.

On 08/04/2017, the following information was learned through a personal interview conducted at the scene with medical staff from Scripps Mercy Hospital and supplemented with medical records. On 08/04/2017 at 0817 hours, the decedent arrived to the emergency department pulseless, with cardiopulmonary resuscitation in progress by paramedics. Pulses were lost en route to the hospital. He arrived with a Glasgow Coma Scale score of three, and he was given the trauma name D1298-17 Trauma. He had a needle thoracotomy to the right aspect of the chest, and was intubated. At 0840 hours, his aorta was clamped. At 0902 hours, he arrived to the operating room for bilateral thoracotomies. At 0925 hours, he went into cardiac arrest. Despite lifesaving efforts, he was unable to be revived, and his death was pronounced at 0937 hours. His right lung, which was removed from his body, had a perforating wound.

The San Diego County Medical Examiner's Office was informed of the death at 1041 hours, and jurisdiction was invoked.

Past Medical, Surgical, and Social History:

The following information was learned during a telephone interview with the decedent's brother (b)(5)(B). The decedent took medications for unknown mental health diagnoses. The decedent was thought to have possibly been diagnosed with bipolar disorder. The family has a history of heart murmurs. It was unknown if the decedent used illicit drugs, and he drank socially.

Scene Description:
At approximately 1132 hours on 08/04/2017, I arrived to the scene, which was Operating Room 6 in Scripps Mercy Hospital, located at 4077 Fifth Avenue in San Diego. The room was a standard operating room, furnished with medical equipment.

The incident scene given was (b)(5)(B) 2nd Avenue in San Diego. I did not view the incident scene.

Body Description:
On 08/04/2017, I viewed the body of an adult Black male, covered with blue medical blankets, lying supine on a hospital gurney. I removed the blankets to continue my investigation. He was lying on top of blankets, which were soiled with blood. He was flaccid and cool to the touch. Both arms were extended and perpendicular to his body. His legs were extended and in line with his torso. He was clad in plaid boxer shorts, which were soiled with blood and had been cut away by medical personnel. Medical therapy observed in place included a heart monitor on his left ear, an endotracheal tube, two identification bands around his right wrist, an intravenous line in the palmar aspect of his right wrist, an intravenous line in his right antecubital fossa, a support splint board taped to his right hand and wrist, a blood pressure sleeve on his left arm, a heart monitor on his left middle finger, EKG leads, a left femoral line, urinary catheter, and a right intraosseous tibial catheter. Lividity was unable to be assessed due to his skin tone.

There was no crepitus upon palpation of his head or neck. There was coagulated blood on the left side of his mandible. There was a defect observed near the midline of his chest. There was what appeared to be an abrasion located near the defect. There was a freshly sutured surgical incision extending across his abdomen right below his chest area. A defect was observed on the midline of his abdomen and also on the right flank aspect of his body. There were defects located both on the palmer and dorsal aspects of the decedent's left wrist. The remainder of the upper extremities appeared unremarkable. The lower extremities appeared unremarkable. The posterior aspect of his body was only partially able to be observed due to the decedent's weight.

92M Transport personnel, (b)(5)(B) arrived and assisted me with the body. A yellow identification band was placed around his right ankle. At 1227 hours, a paper bag was placed around his right hand, and at 1228 hours one was placed around his left hand. At 1229 hours, a paper bag was placed around his left foot, and at 1230 hours one was placed around his right foot. At 1237 hours, a paper bag was placed around his head. He was placed into a new white vinyl body pouch for transport. His right lung, which had been removed during surgery, was placed into a bag and placed into the body pouch with the decedent. Defibrillator pads, which were initially attached to the decedent during medical workup and removed for surgery, were also placed into the pouch with the decedent. Red tamperproof seal 2390185 was affixed to the pouch, and he was transported to the San Diego County Medical Examiner's Office for an examination.

Special Requests:
None.

Identification:
He was identified to me by San Diego Police Officer Dungan ID 6137. I confirmed his identification by comparing his physical characteristics to his San Diego County Jail booking photograph.

Antemortem Specimens:
Three vials of antemortem specimens were collected.

Public Administrator:
This case was not referred to the Public Administrator's Office.

Other Important Factors:
The decedent's right lung was removed during surgery. It was placed into a bag, which was put into the vinyl body pouch with the decedent.

Signed: (b)(5)(B) 0/02/2017_____

AUTOPSY REPORT

Name:	JAMES LACY	**ME#:**	2017-1862
Place of death:	Scripps Mercy Hospital San Diego, CA 92103	**Age:**	47 Years
		Sex:	Male
Date of death:	August 4, 2017; 0937 Hours		
Date of autopsy:	August 5, 2017; 0910 Hours		

CAUSE OF DEATH: GUNSHOT WOUND OF THE CHEST

MANNER OF DEATH: HOMICIDE

AUTOPSY SUMMARY:

I.   Multiple gunshot wounds:
   A.   Gunshot wound of the chest:
      1.   Entrance wound (GSW #1): right upper chest with no surrounding soot or stippling.
      2.   Exit wound: no exit.
      3.   Path: through the anterior chest wall, right lung, lateral chest wall.
      4.   Injuries: lacerations of the right lung with right hemothorax, status post excision of part of the right lung.
      5.   Trajectory: left-to-right, back-to-front and downward.
      6.   Projectile: a deformed, partially jacketed, mushroomed projectile is recovered from the fat of the back; photographed and submitted as evidence to SDPD.
   B.   Gunshot wound of abdomen:
      1.   Entrance wound (GSW #2): on the left upper abdominal quadrant just right of the anterior midline, no soot or stippling noted.
      2.   Exit wound (GSW #3): on the right side, on the anterior axillary line.
      3.   Path: through the fat of the anterior abdominal wall with no penetration of the abdominal cavity.
      4.   Injuries: no significant injuries.
      5.   Trajectory: left-to-right, front-to-back and downward.

6.   Projectile: the wound is through-and-through and no projectile is recovered during autopsy.

C.   Gunshot wound of the left wrist:
1.   Entrance wound (GSW #5): on the posterior surface of the distal forearm, no surrounding soot or stippling.
2.   Exit wound (GSW #6): on the anterior surface of the distal left forearm, left of the extremity midline.
3.   Path: through the bones of the radius and ulna.
4.   Injuries: fracture of both distal radius and ulna.
5.   Trajectory: straight, back-to-front and right-to-left.
6.   Projectile: two small fragments are noted on radiographs, the largest fragment is recovered. The other fragment is too small to be of any evidentiary value; not recovered and.

D.   Gunshot wound of left upper chest:
1.   GSW #4 is a graze wound on the left upper chest with no significant associated injuries. No soot or stippling noted.

II.   Other findings:
A.   No non-firearm injuries.
B.   Hypertrophic cardiomyopathy.
1.   Markedly enlarged heart with hypertrophic ventricles, 530 grams.
C.   Fatty change of liver.
D.   No other significant natural disease noted.

III.   Toxicology pending.
A.   Methamphetamine 0.72 mg/L and amphetamine 0.03 mg/L.
B.   No alcohol or other screened illicit drugs of abuse detected.

OPINION: According to the Investigator's Report, on the morning of 8/4/2017, sheriff deputies arrived at the residence of this 47-year-old Black male to serve him an eviction notice. The decedent stated that he was going to shoot the deputies if they did not leave the residence. Deputies forced entry into the home and the decedent picked up what appeared to be a firearm. Deputies opened fire, striking the decedent. He was transported to the hospital, where he underwent emergency resuscitation and bilateral thoracotomies. During the procedure, he suffered cardiac arrest and was pronounced dead at 0937 hours.

The autopsy revealed multiple gunshot wounds (six gunshot wounds, consistent with three gunshots). The gunshot wounds (GSW) were labeled 1 – 6 and the gunshots (GS) were labeled A, B, and C. Gunshot A (GS A) was a penetrating wound noted to the right upper chest, with entrance wound GSW #1. The projectile trajectory was left-to-right, front-to-

back and downward. It was associated with fracture of multiple ribs, laceration of the right lung, and right hemothorax. A projectile was recovered from the right back; photographed and retained as evidence by SDPD. Gunshot B (GS B) was perforating wound to the abdomen with the entrance wound (GSW #2) on the right upper abdominal quadrant and exit (GSW #3) on the right side. The projectile passed through the anterior abdominal wall with no perforation of the abdominal cavity. The projectile trajectory was left-to-right, front-to-back and downward. No projectile was recovered. Gunshot C (GS C) was perforating to the left distal forearm, with entrance wound on the posterior surface (GSW #5) and exit wound on the anterior surface of the wrist (GSW #6), with straight, back-to-front and right-to-left trajectory. The projectile fractured the distal radius and ulna. A small fragment of lead core was recovered and submitted as evidence. GS D was a graze wound (GSW #4) noted on the right upper chest with no associated significant injuries. Sutured surgical incision, bilateral thoracotomy, was noted. Internal examination revealed partial transection of the right lung. The resected part was submitted separately. Multiple rib fractures were noted on the right side , ribs # 2 and 3 anterior and ribs # 5 and 6 posterior lateral. Examination of the major body organs revealed an enlarged heart, and fatty change of liver. No other significant non-traumatic focal lesions or significant natural disease noted.

Microscopic examination of sections of the major organs revealed no contributory pathology to cause of death. Sections of the heart revealed diffuse hypertrophic changes, focal myocardial scarring, and interstitial and perivascular fibrosis. Sections of the lungs revealed pulmonary congestion and no significant pathology. The liver revealed mild-to-moderate diffuse micro and macrovesicular steatosis, fatty change, and no interlobular fibrosis. The kidneys revealed focal arteriolosclerosis suggestive of early hypertensive changes. Toxicological testing was positive for methamphetamine and its active metabolite amphetamine.

Based on the autopsy findings and the circumstances surrounding the death, as currently understood, the cause of death is gunshot wound of the chest, and the manner of death is homicide. The decedent was shot by law enforcement officers.

(b)(5)(B)   , M.D.
Deputy Medical Examiner

Date signed:

IDENTIFICATION: When initially viewed the body is in a body transfer pouch sealed with red tag number "2390185," broken at 0910 hours. Upon opening the bag there is a yellow Medical Examiner's tag around the right ankle bearing the decedent's name and case number.   A blue Medical Examiners tag with a barcode bearing the decedent's demographics is subsequently placed around the decedent's right ankle.

WITNESSES: Assisting is Forensic Autopsy Specialist (b)(5)(B)   .   Duane Malinowski, Denise Martinez, Heidi Hebert, and Jesus Sanchez from San Diego Police Department (SDPD) attended the autopsy and collected/received evidence.

WITNESSING PATHOLOGIST:

(b)(5)(B)   M.D.
Deputy Medical Examiner

Date signed:

CLOTHING: The body is clad in dark plaid boxers. It was reported that the decedent was also wearing a blue shirt, retained at the scene.

EVIDENCE OF MEDICAL THERAPY: Endotracheal tube, sutured bilateral thoracotomy incision, central and intravenous access lines, intraosseous access line and urinary catheter are noted. There is a blood pressure cuff on the left arm and oximeter on the middle finger of the left hand.

EXTERNAL EXAMINATION

The body is that of a normally developed and well-nourished Black male appearing consistent with the listed age of 47 years. The length is 68 inches, and the weight is 242 pounds, with body mass index of 36.8. The body is well preserved, cold, and has not been embalmed. Rigidity is fully developed in the jaw and extremities. Lividity is nonblanching on the back, limited by dark skin pigmentation. Brown paper bags secured with duct tape are noted over the head, the hands, and feet; retained as evidence by SDPD.

The head is normocephalic and the scalp is covered with very short black hair. The facial hair is stubble beard and moustache. The ears are normally formed and without drainage. The earlobes are not pierced. The irides are brown, the corneas opaque, and the bulbar and palpebral conjunctivae free of petechiae. The sclerae are white. The nose is intact, and the nares are clean and unobstructed. The lips are normally formed. The teeth are natural and in good condition. The neck is without injuries or deformities.

The chest is normally formed and symmetrical, with multiple gunshot wounds on the upper chest. There is sutured bilateral thoracotomy surgical incision on the midchest.

The abdomen is slightly protuberant and soft, with two gunshot wounds. No masses are palpable. The external genitalia are those of an uncircumcised adult male with both testes palpable in the scrotum. The back is straight and symmetrical with no trauma or defects. The anus is atraumatic.

The upper extremities are normally formed. No needle punctures, track marks, or ventral wrist scars are noted. The fingernails are unremarkable. There is a perforating gunshot wound of the distal left forearm. The lower extremities are normally formed and have no edema, amputations, or deformity. The toenails are unremarkable.

BODY MARKINGS (SCARS AND TATTOOS): No tattoos or major surgical scars noted. Two well-healed round scars are noted on the upper abdominal wall.

EVIDENCE OF INJURY

Multiple gunshot wounds (GSW) are noted, labeled #1-6, consistent with 4 gunshots (GS) labelled A-D. The numbers and letters are for documentation only and not intended to indicate sequence of fire or clinical significance. The trajectory is documented in the standard anatomic position and does not take into account the actual position of the victim or suspect.

MUTIPLE GUNSHOT WOUNDS:
A.   Gunshot wound of the chest (GS A):
1.   Entrance wound (GSW #1): on the right upper chest, 13 inches from the top of the head and 1-1/2 inches right of the anterior midline. The wound measures 5/8 x 3/8 inch in its largest dimension and surrounded with symmetric abrasion rim. No surrounding soot or stippling noted.
2.   Exit wound: no exit wound noted.
3.   Path: the projectile passed through the anterior chest wall, right lung, and lateral chest wall.
4.   Injuries: fracture of right ribs #2 and 3anteriorly, lacerations of the right lung with right, status post partial resection and right hemothorax, and fractures of right ribs #5 and 6 laterally.
5.   Trajectory: left-to-right, back-to-front and downward.
6.   Projectile: a deformed, partially jacketed, mushroomed projectile is recovered from the fat of the right side/back; photographed and submitted as evidence to SDPD.
B.   Gunshot wound of the abdomen(GS B):
1.   Entrance wound (GSW #2): on the upper left abdominal quadrant, 23 inches

from the top of the head and 1 inch left of the anterior midline. It measures 3/4 inch with surrounding asymmetric abrasion-laceration measuring 1-1/2 x 1 inch in its largest dimensions, opposite the 2 o'clock position. No soot or stippling noted.

2. Exit wound (GSW #3): on the right side of abdomen, along the anterior axillary line, 25 inches from the top of the head and 10-1/2 inches right of anterior midline. It measures 3/4 x 1/2 inch in its larges dimensions.

3. Path: through the fat of the anterior abdominal wall with no penetration of the abdominal cavity.

4. Injuries: no associated significant injuries noted.

5. Trajectory: left-to-right, front-to-back and downward.

6. Projectile: the wound is through-and-through and no projectile is recovered during autopsy.

C. Gunshot wound of the left wrist (GS C):

1. Entrance wound (GSW #5): on the posterior surface of the distal forearm, on the midline of the extremity, 1/2 inch above the wrist, measuring 3/8 inch in diameter with a surrounding thin abrasion rim. No soot or stippling noted on the surrounding skin.

2. Exit wound (GSW #6): on the anterior surface of the distal left forearm, 1/2 inch above the wrist, and 3/4 inch left of the midline of the extremity.

3. Path: through the bones and soft tissue of the distal forearm.

4. Injuries: fracture of both distal radius and ulna and soft tissue injuries.

5. Trajectory: straight, back-to-front and right-to-left.

6. Projectile: two small fragments are noted on radiographs, the largest fragment is recovered. The other smaller fragment, too small to be of any evidentiary value, was not recovered.

D. Gunshot wound of the left chest (GS D):

1. GSW #4 is a graze wound on the left upper chest with no significant associated injuries. No soot or stippling noted.

INTERNAL EXAMINATION

INITIAL INCISION: The body cavities are entered through the standard coronal incision and the standard Y-shaped incision.

BODY CAVITIES: See "Evidence of Injury." The abdominal fat layer measures up to 8 cm in thickness. There is bilateral thoracotomy and blood is noted in both chest cavities, more on the right. The hemothorax cannot be definitively quantified due to surgical intervention. Part of the right lung is surgically absent. The serosal surfaces are smooth, glistening, and without adhesions. The organs are normally located. The diaphragm is intact.

CARDIOVASCULAR SYSTEM: The pericardium is thin and smooth. Within the

pericardial sac, there is no blood or excessive fluid. The heart weighs 530 grams and is enlarged. It has a normal shape with a smooth, glistening epicardium. The coronary arteries have a normal origin and distribution with right dominance. The coronary have no atherosclerotic changes and are widely patent.

The chambers are normally developed and are without mural thrombosis. The myocardium is red-brown, firm, and uniform without focal fibrosis, softening, or hyperemia. The ventricles are hypertrophied, and there is no dilatation. The right ventricle, left ventricle, and interventricular septum measure 0.7 cm, 2.5 cm, and 2.5 cm, respectively.

The endocardium is intact, smooth, and glistening. The cardiac valve leaflets are of normal number, pliable, intact, and free of vegetations. The tricuspid, pulmonic, mitral and aortic valves measure 12 cm, 7 cm, 10 cm, and 7 cm, respectively. The atrial and ventricular septa are free of defects. There is no abnormality of the apices of the papillary musculature.

The great vessels enter and leave in a normal fashion. The aorta follows its usual course and has minimal atherosclerotic changes. There are no vascular anomalies or aneurysms. The vena cavae and pulmonary arteries are without thrombus or embolus.

RESPIRATORY SYSTEM: See "Evidence of Injury." The right and left lungs weigh 410 and 270 grams, respectively, and have the usual lobation. The pleura are smooth and glistening; the lungs have small anthracotic pigments. The lungs are atelectatic and non-crepitant. The parenchyma is dark red and exudes moderate amounts of fluid. The lungs have no consolidation, infarct, tumor, gross fibrosis, or enlargement of airspaces. The bronchi contain no foreign material and have unremarkable mucosa. The hilar lymph nodes are not enlarged. The right lung reveals evidence of surgical resection of part of the right upper and middle lobes. The resected parts are submitted separately in a plastic container.

HEPATOBILIARY SYSTEM: The liver weighs 2100 grams, is of average size. The intact capsule is smooth and glistening. The parenchyma is red-brown and uniform without mass, hemorrhage, yellow discoloration, or palpable fibrosis. The gallbladder contains dark green bile and no stones. Its mucosa is uniform and the wall is not thickened.

The pancreas has a normal size, shape, and lobulated structure. The parenchyma is pink-tan, firm, and uniform. The pancreatic ducts are not ectatic, and there is no parenchymal calcification.

HEMOLYMPHATIC SYSTEM: The spleen weighs 130 grams. The capsule is smooth and intact. The parenchyma is maroon, firm, and uniform. There is no enlargement of the

lymph nodes in the neck, chest, or abdomen.

ENDOCRINE SYSTEM: The thyroid gland is not enlarged, and the lobes are symmetrical. The parenchyma is uniform, firm, and red-brown. The parathyroid glands are not identified. The adrenal glands have the usual size and shape. The cortices are thin, uniform, and yellow, and there is no hemorrhage or tumor. The pituitary gland is not enlarged and is unremarkable.

GASTROINTESTINAL SYSTEM: The esophagus and gastroesophageal junction are unremarkable. The stomach is not distended. The stomach contains approximately 200 ml of tan paste of digested and undigested food. The gastric and duodenal mucosae are intact and unremarkable. The small and large intestines are unremarkable to inspection and palpation and sectioning. The appendix is present and is unremarkable.

GENITOURINARY SYSTEM: The right and left kidneys weigh 160 and 160 grams, respectively, and have a normal shape and position. The cortical surfaces are smooth. The kidneys have the usual corticomedullary structure without tumors or cysts. The pelves and ureters are not dilated or thickened. The bladder contains no urine. The mucosa is intact, and the bladder wall is not hypertrophied.

The prostate gland is of average size and grossly unremarkable. The testes are without hemorrhage or tumor.

NECK: The tongue, strap muscles, and other anterior neck soft tissues have no hemorrhage. The hyoid bone and the cartilaginous structures of the larynx and trachea are normally formed and without fracture. The airway is unobstructed, lined by smooth, pink-tan mucosa, and contains no foreign material. The cervical vertebrae have no displacement, hypermobility, or crepitus.

MUSCULOSKELETAL SYSTEM: See "Evidence of Injury." The musculoskeletal system is well developed and free of deformity. There are no fractures of the clavicles, sternum, vertebrae, or pelvis. The ribs are not brittle. The skeletal muscle is dark red and firm. There are fractures of the anterior ribs #2 and 3, ribs #5 and 6, posterolateral.

CENTRAL NERVOUS SYSTEM: The scalp is free of hemorrhage. The calvarium and base of the skull are normally configured and have no fractures. The dura is intact, and there is no epidural, subdural or subarachnoid hemorrhage.

The unfixed brain weighs 1210 grams. The leptomeninges are glistening, thin and transparent without underlying hemorrhage, exudate, or cortical contusions. The hemispheres are symmetrical and have a normal gyral pattern. There is no flattening of the gyri, narrowing of the sulci, midline shift, or evidence of herniation. The arteries at the

base of brain have no significant atherosclerotic changes or aneurysms.

Sections through the cerebral hemispheres have a uniform, intact cortical ribbon and uniform white matter. Anatomic landmarks are preserved, symmetrical and without focal change. The ventricles are not enlarged without dilation or distortion, and the linings are smooth and glistening. The pons, medulla, and cerebellum are unremarkable, without focal lesions. There is no evidence of uncal or cerebral herniation.

SPECIMENS RETAINED

TOXICOLOGY: Samples of central and peripheral blood, vitreous humor, liver and gastric contents are retained for toxicology. Toxicology testing is positive for methamphetamine and amphetamine.

HISTOLOGY: Representative sections from the major organs are preserved in one storage jar in 10% formalin. Representative sections of major organs submitted for histology in 4 cassettes labelled: #1 Liver and Kidney, #2 Lungs, and #3 and 4 Heart.

PHOTOGRAPHS: Digital identification photographs are obtained. Selected photographs are obtained during autopsy for documentation.

RADIOGRAPHS: Head, neck, and chest radiographs are obtained.

MICROSCOPIC EXAMINATION

HEART: Diffuse hypertrophic changes with focal myocardial scarring, and interstitial and perivascular fibrosis.

LUNG: Congestion and postmortem artifacts.

LIVER: Mild-to-moderate diffuse micro and macrovesicular steatosis and no interlobular fibrosis or significant inflammation.

KIDNEY: Focal arteriolosclerosis possibly early hypertensive changes.

FOR IMMEDIATE RELEASE

Friday, August 4, 2017

CONTACT: Acting Captain Mike Holden at (619) 531-2425 or mholden@pd.sandiego.gov

Deputy Involved Shooting in the Park West Neighborhood

San Diego–On Friday, August 4, 2017, at approximately 7:50 a.m., two uniformed San Diego County Sheriff's Deputies were serving an eviction at an apartment on the 2000 block of 2nd Avenue. After identifying themselves and announcing they were serving an eviction, the suspect began yelling at the deputies through a locked security door. During this time, the suspect threatened to kill the deputies. The deputies forced the security door open and as they were entering the apartment, the suspect threatened to get a firearm and shoot them. As the deputies entered the apartment's living room, the suspect ran into his bedroom. He returned holding what the deputies believed was a semi-automatic handgun. As he moved the handgun in their direction, both deputies fired several rounds from their department issued handguns. The suspect retreated back into his bedroom.

The deputies contacted the suspect in his bedroom and found the suspect had been shot several times. They began giving the suspect medical aid and called for paramedics. The suspect was transported by paramedics to Mercy Hospital where he was pronounced deceased.

The suspect has been identified as a 47-year old black male who lived in the apartment and was the individual being evicted. The decedent's name will not be released until family members have been notified.

The San Diego Police Department Homicide Unit responded to the scene and will conducted the Officer Involved Shooting Investigation. During a search of the suspect's apartment, homicide investigators found a semi-automatic handgun replica inside the suspect's bedroom. The replica appears to be either a BB air pistol or an Airsoft pistol.

The involved deputies are a seventeen year veteran and a nine year veteran of the San Diego County Sheriff's Department.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.

FOR IMMEDIATE RELEASE

Monday, August 7, 2017

CONTACT: Lieutenant Mike Holden at (619) 531-2425 or mholden@pd.sandiego.gov

Update–Deputy Involved Shooting in the Park West Neighborhood

San Diego–On Friday, August 4, 2017, at approximately 7:50 a.m., two uniformed San Diego County Sheriff's Deputies were serving an eviction at an apartment on the 2000 block of 2nd Avenue. After identifying themselves and announcing they were serving an eviction, the suspect began yelling at the deputies through a locked security door. During this time, the suspect threatened to kill the deputies. The deputies forced the security door open and as they were entering the apartment, the suspect threatened to get a firearm and shoot them. As the deputies entered the apartment's living room, the suspect ran into his bedroom. He returned holding what the deputies believed was a semi-automatic handgun. As he moved the handgun in their direction, both deputies fired several rounds from their department issued handguns. The suspect retreated back into his bedroom.

The deputies contacted the suspect in his bedroom and found the suspect had been shot several times. They began giving the suspect medical aid and called for paramedics. The suspect was transported by paramedics to Mercy Hospital where he was pronounced deceased.

The suspect has been identified as 47-year old James Lacy of San Diego. Lacy lived in the apartment and was the individual being evicted.

The San Diego Police Department Homicide Unit responded to the scene and is conducting the Officer Involved Shooting Investigation. During a search of the suspect's apartment, homicide investigators found a semi-automatic handgun replica inside the suspect's bedroom. The replica appears to be either a BB air pistol or an Airsoft pistol.

The involved deputies are seventeen year veteran Deputy Sean Ochoa and nine year veteran Deputy Don Wood of the San Diego County Sheriff's Department.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.

REPORT NARRATIVE

Origin:

On August 4, 2017 at approximately 0820 hours, I was requested by Lt. J. Marquez to respond to the scene of an Officer Involved Shooting (OIS) involving a San Diego Court Services Field unit. I responded to the scene with Sgt. Niderost.

Deputies Observations and Actions:

We arrived on scene and entered the crime scene located at (b)(5)(A) 2nd Ave. SD, Ca. 92101. Once inside the crime scene we checked in with an unidentifed San Diego Police Officer (SDPD) who was acting as scribe. After recording our entry into the crime scene, we met with the Sgt. M. Craig and San Diego Court Services-Field Lt., M. Rand.

After a review of the incident with Sgt. M. Craig, we attended the Homicide Briefing presented by the SDPD. Once the briefing was concluded, Lt. Rand released Sgt. Nederost and I from the incident.

This concluded my involvement in the incident.

REPORT NARRATIVE

ORIGIN:

On 08/04/17 at 0748 hours, I heard via the Sheriff's CSB radio frequency of a deputy stating "shots fired" at (b)(5)(A) 2nd Ave, San Diego. Deputies relayed that the suspect was "hit" and deputies were not injured. I checked and realized there was no San Diego Court Services Field Sergeant logged on as the Supervisor. At 0804 hours, Sergeant Garrett and I left the County Administration Center to assist at the scene.

DEPUTY'S OBSERVATIONS AND ACTIONS:

At 0814 hours, Sergeant Garrett and I arrived at (b)(5)(A) 2nd Ave, San Diego. We contacted Lt. Rand who was already on scene. Sheriff's Homicide was notified of the incident and Detective Bloch was enroute the location. San Diego Police conducted the overall investigation, as it was their jurisdiction. I contacted Sheriff's Communications to request Peer Support to be enroute the San Diego Court Services Field Office to meet with deputies involved in the shooting. At 0829 hours, Sergeant Garrett went to the San Diego Court Services Field Office to be the point of contact for the deputies involved.

While on scene, I assisted with supplying information needed to/from San Diego police, as well as assisted with any issues that arose. At 0840 hours, Sergeant Lacroix arrived on scene. At 0930 hours, San Diego Police Homicide conducted their case briefing. Sergeant Golembiewski arrived on scene at 0930 hours.

San Diego Police Homicide requested the deputies involved in the shooting to obtain a separate set of clothing for after their evidence processing. San Diego Police Homicide requested Deputies Wilm and Baquiran, who were at Scripps Mercy Hospital, to respond to the scene to be interviewed. Sergeant Golembiewski notified the deputies to respond.

At 1026 hours, Lieutenant Rand and I left the scene to go to the San Diego Court Services Field Office. I emailed the Sheriff's staff, who had been at the scene, to complete a deputy's report to document their involvement.

REPORT NARRATIVE

ORIGIN:

On 8/4/17, at about 0748 hours, I heard unit 15A5 (Deputies Ochoa and Wood) broadcast "shots fired" via radio (Event #E4334106). I researched the call and saw the unit was located at (b)(5)(A) 2nd Ave. in San Diego. I also saw the closest Field Services sergeant had an extended arrival time. At about 0804, Sgt. Craig #2391 and I responded to the scene from the County Administration Center, 1600 Pacific Highway, San Diego.

OBSERVATIONS AND ACTIONS:

We arrived on scene at about 0814 hours. Once at the scene, we assisted with making notifications and verifying notifications had been made.

At about 0829 hours, I drove to the San Diego Court Services Field Office. I met with Deputies Ochoa #1193 and Wood #7730. Both deputies were in separate offices and not interacting with each other. I advised them not to change their clothing or wash themselves in order to preserve their appearance for San Diego Police Department investigators. I coordinated access to the deputies with attorney (b)(5)(B) as well as the Peer Support Unit. I assisted in the coordination of transporting Deputies Ochoa and Wood to San Diego Police Department's Headquarters to meet with the case investigators.

This concluded my involvement in the case.

REPORT NARRATIVE

ORIGIN:

On 08/04/17 at about 0759 hours, I received a phone call from my office assistant (b)(5)(B)   She told me Lt. M. Rand (#4713) wanted me to respond to the scene of an Officer Involved Shooting (OIS) involving a San Diego Court Services Field unit (CAD- E4334106). I called Lt. M. Rand and he told me to respond to the corner of 2nd Ave and Grape St in the city of San Diego.

DEPUTIES OBSERVATIONS AND ACTIONS:

I arrived on scene at about 0930 hours. I entered the scene from the south and met with Lt. Rand and Sgt. Craig (#2391) in front of (b)(5)(A) 2nd Ave., San Diego Ca 92101. They informed me the case briefing was about to start, which was conducted by the San Diego Police Department.

After the briefing San Diego Police Homicide requested Deputies Wilm and Baquiran, who were at Scripps Mercy Hospital, to return to the scene to be interviewed. I contacted Deputy Baquiran and told him to come back with Deputy Wilm. They returned to the scene and were interviewed by SDPD.

At about 1350 hours, San Diego Police Homicide notified me they were done with Deputy Wood and Ochoa's marked patrol vehicle (#23799) and it could be moved. I drove vehicle #23799 back to the San Diego Court Services Field Office, located at 220 W. Broadway San Diego Ca 92101.

REPORT NARRATIVE

ORIGIN:

On 08/04/17 at 0743 hours, I was monitoring the Court Services Bureau Field Units when Unit 15A5 (Deputies Don Wood #7730 and Sean Ochoa #1193) advised they had been involved in a shooting during an eviction at (b)(5)(A) 2nd Ave, in the city of San Diego. I then responded from the North County Vista area and arrived at the location a short time later. Upon arrival at the location at approximately 0838 hours, I made contact with Sheriff's Sergeant Michelle Craig #2391 and CSB Field Lieutenant Michael Rand # 4713, who were both inside the perimeter. While inside the perimeter I also provided a San Diego Police Officer who was acting as a scribe for this incident with my information. I then attempted to assist with obtaining necessary information pertaining to the incident.

At 0925 hours, Sergeant Minter #6052 from the San Diego Police Department conducted a briefing of the incident, (SDPD Incident #17080005596) for investigator's and Sheriff's personnel at the scene. Once the briefing was completed at 1006 hours, I was dismissed from the scene and returned to North County.

REPORT NARRATIVE

ORIGIN:

On 08/04/17 at approximately 0820 hours, I was requested by 15-A-L, Lt. M. RAND (#4713) to respond to the scene of an Officer Involved Shooting (OIS) involving a Court Services Field unit. (SDSD CAD- E4334106) I responded with CSB Sgt. 18-S-6, Sgt. G. BURKE (#2608) in marked Sheriff's Unit 23770.

DEPUTIES OBSERVATIONS AND ACTIONS:

I arrived on scene with Sgt. BURKE at approximately 0839 hours. We parked on the southwest corner of Grape St. and 2nd Ave. We approached the crime scene from the south by walking north along west sidewalk, and then crossed into the street isolated by yellow barrier tape directly in front of the crime scene located at (b)(5)(A) 2nd Ave. We reported to the San Diego Police Officer (SDPD) who was acting as scribe. After recording our entry into the crime scene, we met with Lt. RAND.

After a review of the incident with 28-S, Sgt. M. CRAIG (#2391), I attended the Homicide Briefing presented and conducted by SDPD. Once the briefing was concluded, Lt. RAND released Sgt. BURKE and I and we returned to our Downtown Court assignment at approximately 1000 hours.
