Provider of Information (if different):

SYNOPSIS:

On 11/29/18, at 10:05 AM., the Rancho San Diego Crime Suppression Team (CST) and RSD Area Detectives assisted County Code Compliance with serving an abatement warrant at Sweetwater Greens marijuana dispensary, located at 2555 Sweetwater Springs Blvd #E in Spring Valley. The abatement warrant was the direct result of Sweetwater Greens owners violating San Diego County Zone ordinance 6976.

During today’s operation deputies located a large amount of marijuana, marijuana edibles, marijuana paraphernalia, cash, as well as items used in the sales of marijuana. Two employees were cited and released for possession and sales of marijuana. County Code Compliance secured the illegal dispensary by boarding up all entry doors to the location.

As a public reminder, County departments are addressing illegal marijuana dispensaries in Spring Valley and other unincorporated areas of San Diego County by enforcing building code requirements involving illegal or improper occupancy in conjunction with the administrative abatement process. The County has begun serving illegal dispensaries with 10-day notices, ordering property owners to remove tenants involved in the illegal sales of marijuana.

If the tenant is not removed and enforcement action is taken, the County will continue abatement proceedings and secure the property to ensure the building remains safe. Any person found inside the property after the County secures the building is subject to be arrested.

The County anticipates continued compliance as we enforce the securing of structures without a permitted use.
