Date of Release: 07-26-08
Time of Release:

INFORMATION:

Date of Occurrence: 07-26-08
Time of Occurrence: 2:15 am
Location of Incident: 9349 Pebble Beach Dr. Santee Ca 92071

SYNOPSIS:

Santee Deputies responded to a report of a vehicle that struck a house in the area of Pebble Beach Dr and Rumson Rd. in Santee. When deputies arrived on scene they contacted the driver, identified as Denise Shepard. Investigation revealed the subject lost control of her vehicle shortly after leaving a local bar and struck a block wall at the intersection. Shepard backed her vehicle away from the wall and took out a 25 foot section of fencing, stopping when she struck a steel pole. She then drove the vehicle forward at a high rate of speed back toward Pebble Beach and collided with a parked vehicle, went through another block wall, and ultimately struck a home, damaging a residential wall.

During the incident, the suspect's actions caused major damage to her vehicle, a parked vehicle and caused moderate damage to the home. She also destroyed several walls and fences. The suspect was arrested for Driving Under the Influence and transported to the hospital for evaluation of injuries suffered in the collision. The initial estimate for property damage is between \$50,000.00 and \$70,000.00. Santee Station Traffic Investigator J. Alioto is handling the investigation.
