SUBJECT: Christopher Paul Parkhurst, 47-years-old

On January 3, 2021, the family of forty-seven-year-old Christopher Paul Parkhurst reported him missing to the San Diego Sheriff's Department. Deputies assigned to the Campo Substation, immediately began to investigate.

Investigators determined Parkhurst was last seen by an acquaintance on December 23, 2020, in the 23000 block of Horizon View Drive in Potrero. Parkhurst's family has not seen or heard from him since that day. Deputies have conducted a limited search of the area for Parkhurst, but the terrain in the area is rugged and expansive.

The Homicide Unit has assumed the responsibility for the investigation into Parkhurst's whereabouts. As a matter of normal procedure, the Homicide Unit assumes responsibility of all Sheriff's missing persons cases after thirty days.

This morning, about 80 volunteers with Sheriff's Search and Rescue, Homicide detectives, and deputies assigned to the Campo Substation conducted an exhaustive search of a large area around Horizon View Drive. Parkhurst was not located and his whereabouts is still unknown.
